Armellini Express Lines is pleased to announce the asset purchase of Direct Trucking based in Chehalis, Washington. Effective July 1, 2017, Armellini will begin offering our own consolidation of quality products from Washington and Oregon. We are also excited to add the Direct Trucking team of employees to our Armellini staff to ensure a smooth transition.

Our goal has always been to deliver the highest level of service to our customers. The addition of a facility and staff in the Pacific Northwest will enable us to provide the highest level of service from this area. We look forward to delivering quality products to our existing customers and we welcome the opportunity to service all of Direct Trucking's existing customer base.

We will strive to give the service the industry has come to expect from Armellini in this new region and thank you for all your support.

Please call our Customer Center Department with any questions at 888-235-4723.

Thanks for shipping with Armellini Express Lines.

Effective July 1, 2017, Direct Trucking has agreed to an asset purchase by Armellini Express Lines who will continue providing refrigerated LTL service throughout the United States. All Direct Trucking Employees have been offered positions with Armellini and together we are working diligently to ensure the highest level of service possible.

Direct Trucking will discontinue long haul services on June 25th, 2017 in preparation for a smooth transition to Armellini on July 1st, 2017. We are excited that Armellini's existing network of truck routes, team drivers, bar coded labels, truck tracking and facilities throughout the United States will provide Direct Trucking's current customers and shippers expanded service areas, day specific routes and a higher level of customer service.

In this competitive freight forwarding environment, Armellini will continue your existing cube freight rate during this transition and we will be available to either answer your questions or direct you to a trucking specialist at Armellini.

We thank you for your past support and look forward to providing the best refrigerated LTL service throughout the United States.

Sincerely,

Peder Hoddevik
